School buses

Glenfield, New Parks and Western Park.

We are proud to be invited to operate school buses again on behalf of The Martin High School for the 2024/25 academic year.

We currently operate three dedicated school buses through the Glenfield, New Parks and Western Park areas. Applications will be online on our website from 3rd June 2024 and we encourage parents to please make sure you apply ***BEFORE 1st August 2024*** to allow us time to finalise routes, timetables and bus passes before the start of the new academic year.

Prices will be published on our website when applications for 2024/25 open. Bus fares are paid for by parents on a subscription basis and learners are then issued a bus pass to allow travel. A deposit of £50.00 and a passport style photo are required to apply. Remaining subscriptions can then be paid in full up front, Half-termly (six instalments) or over ten monthly payments from September 2024 to June 2025.

If you have any additional questions, please email us on **info@andrews-coaches.co.uk**.
