

Dear Parent/ Carer,

RE: Lionheart Easter Revision offer

These strategies include: study skills sessions, advice and guidance around optimum revision resources, mentoring, revision sessions, targeted intervention, trial examinations and individual feedback designed to support students to reflect on individual areas for further focus.

We hope our parents and carers also feel supported to understand how best to support your child with the examination season. If you do have any questions, please do not hesitate in contacting your child's tutor or teachers in order gain further advice.

Microsoft Teams 'Live' lectures

In addition to a range of face to face revision sessions that may target specific learners in school, this Easter we have asked a team of specialist teachers from across our schools to plan and deliver some high quality 'live' lectures that will be delivered via Microsoft Teams.

These sessions will occur on **Monday 03 April, Tuesday 04 April, Wednesday 05 April and Thursday 06^h April** throughout the day during the first week of the Easter holidays.

These lectures will be also be recorded and made available via the Lionheart VLE by the following day so students can watch again, pause and make revision notes.

This is especially useful if they have been invited into their school for some on-site support. The option to 'watch again' can be scheduled flexibly over the holiday period.

The schedule and accompanying links to these sessions are attached to this letter.

We would encourage your child to review this learning offer and plan to attend some of the one-hour sessions in order enhance their understanding. The sessions are targeted to support pupils to achieve well in line with their target grades. Please support your child to reflect on their learning and attend sessions that they feel would benefit them.

Lionheart VLE revision courses

To supplement this offer, we have also created revision courses via the **Lionheart VLE** that contain many pre-recorded revision sessions, resources and model answers to further support your child.

From **Monday 03 April**, please follow these links for these further resources:

GCSE Revision Courses:

<https://vle.lionhearttrust.org.uk/course/index.php?categoryid=160>

A-level Revision Courses:

<https://vle.lionhearttrust.org.uk/course/index.php?categoryid=161>

GCSE Tutorials- How to Revise Videos

We have also devised a range of 'How to Revise' videos. These videos provide students with evidence led tips and approaches linked to specific subjects. We hope they serve as useful reminders and are further supportive and motivating.

You can find the range of revision videos uploaded here:

<https://vle.lionhearttrust.org.uk/course/view.php?id=1100>

In school sessions

In addition to this, your child's school is providing on-site sessions for Design and Technology on Monday 03 April and Food Technology on Monday 03 and Tuesday 04 April from 09:15 – 15:00. These sessions will enable learners to complete their NEA (coursework) to a high standard. We hope that this offer will help to boost confidence, supporting your child to feel positive and prepared for the summer term.

Please do not hesitate to contact us if you have any specific questions.

Kind regards,
